b. Approval of April 2022 Financials

Steven Barry motioned to approve the financials.

Ben Boutwell seconded.

Passed unanimously.

c. Banking Services RFP Committee

Steven Barry motioned to select Hancock Whitney.

David Peaden seconded.

Passed unanimously.

d. Budget Amendment – Project Pioneer

Steven Barry motioned to approve the budget amendment

David Peaden seconded.

Passed unanimously.

e. ACH Payment - Promissory Note - Project Pioneer

Inquire with the new bank, Hancock Whitney, about options for electronic transfers that may allow for approval by two board authorized signatories before sending electronic payment. Depending on the outcome of that discussion, we may need or want to modify the parameters requiring two signatures for checks over \$5000.00 for this particular recurring expense. We will report back next month.

f. FDOT ACH Payment Approval

Steven Barry motioned to approve the FDOT ACH payment.

Jared Moore seconded.

Passed unanimously.

6. Discussion Items

a. Tech Park Update

1. City of Pensacola Request for Usage: Soccer Fields: Vice Chairman read the received email responses. These emails will be included in the minutes for this board meeting. Current projects are probably tracking at about 20% probability. The City of Pensacola reached out a few weeks ago about the usage of the property. Mayor Grover Robinson, David Forte, and Adrian Stills shared their perspective. Mayor Robinson indicated there is no interest in permanent infrastructure, but he does see opportunity. for The City would address netting, fencing, and lawn maintenance, paying special attention to protecting the existing infrastructure and sprinkler system. There is interest in this property primarily for practice soccer fields and potentially lacrosse fields down the line. They only ask for 60 days notice to relocate when the property develops. The City will get the property back to the current status within that time frame. Commissioner Steven Barry requested that the City take on the entire landscaping for the property as he cannot see any harm in using the property for this purpose. City Councilman Jared Moore shared that he is personally aware of the need while also seeing a great opportunity for collaboration. Mayor Robinson believes netting on Street and the City would like to work with our landscaping provider rather than move in house. Due to the safety of the west side of the property, the preference is to use the space as proposed rather than move it. Chairman Bear provided feedback via Scott Luth regarding insurance liability. He also shared that the liability insurance also covers random casual usage. He wants to ensure the irrigation and grass are adequately maintained for the increased usage as well as potential traffic hazards and notice of cancellation. The request was also made for the City to cover the legal expenses for PEDC related to this issue.

Steven Barry motioned to authorize staff to execute an MOU with the city for the usage.

Dr. Lusharon Wiley seconded.

Passed unanimously

b. Economic Development Update:

Mayor Ben Boutwell shared productive meetings have been occurring in collaboration with FloridaWest staff. Things are moving in the right direction with the grant. Scott Luth shared that four new tenants are shown as moving in at CO:LAB. Also, CO:LAB metrics are shifting to align with other incubators as related to economic development and the impact on the community.

Staff shared about Project Arbor out of Illinois looking at making Pensacola their corporate headquarters. 74 new jobs with average wages \$55,332 (or 118% of current MSA wage). Capital Investment \$7.5M for the acquisition of an existing available 37,000 SF facility on 12.8 acres, upgrades to the existing facility, and phase 2 of the project will add an additional 40-60,000 SF warehouse on the site. This family-owned company handles IT asset disposition/refurbishment and sustainable recycling for major aviation, government, financial institutions, and more. They have been in business 30 years, and have 8 locations across the U.S. We are working with Triumph Gulf Coast staff, and they

have confirmed the project could be approved for up to \$1.5M to assist PEDC with acquisition of the 37,000 SF facility, We would like to submit the application for Triumph's June meeting for consideration of approval of funding.

Scott Luth is requesting board authorization to duplicate efforts made with Project Pegasus through a Triumph request.

Commissioner Steven Barry motioned to approve FloridaWest pursuing the Triumph process.

Mayor Ben Boutwell seconded.

Passed unanimously.

There are two new RFPs in process. Project Spark is an expansion of a local company looking at multiple locations across the US and one internationally. The draft RFP is due this week. We were sought out for this because the company has a current footprint in the community. We are working with CBRE's Chicago site consultant team on submittal of a major competitive RFP project for an existing manufacturing/R&D company. Pensacola is one of four sites under consideration. Other company sites include California, New York, and the United Kingdom. The project would add 53 new jobs by 2025 with average wages of \$55,400 (or 119% of current MSA wage) and capital investment \$51M. The RFP is heavily focused on talent, sustainability, diversity & inclusion, incentives, and cultural amenities; thus we are developing our RFP submission to tell the story of "Why Pensacola" should be the top site for consideration of the company's investment in our community.

Danita Andrews shared we had a site visit with Project Lazer which is in collaboration with Space Florida. There may be a Triumph ask for that project as well. Staff will report back next month. While this is not for a lot of jobs, it is for high wage jobs for millions of research funding in this community.

- **c.** Legislative/Funding Updates
 - 1. Bluffs Update: This continues to be in limbo based on the state budget.
 - **2.** Aviation Training Center: Scott Luth has a meeting late next week to discuss pursuing funding for this.
 - **3.** State Cyber: This continues to be in limbo based on the state budget.

4.

- 7. Other Business: Scott Luth shared that Sena Maddison will be leaving FloridaWest. She has been with us for 7 years. She will be Director of Communications for Northwest Florida Community Health. Scott also shared that FloridaWest is in process for the new 5 year strategic plan. In the interim, we are looking at a temporary contractor to backfill Sena's position until we are finished with the strategic plan process.
- **8. Adjourn:** Dave Hoxeng adjourned the meeting at 10:59 pm.

Mayor Ben Boutwell motioned.

David Peaden seconded.

Department of Financial Services

Division of Accounting and Auditing - Bureau of Vendor Relations

Instructions for Direct Deposit Authorization

Please complete the form in its entirety. Please contact us at (850) 413-5517 or e-mail at <u>DirectDeposit@MyFloridaCFO.com</u> if you have any questions or need assistance.

Section 1: Transaction Type: Select the appropriate transaction type(s):

- New request If a payee is not currently on direct deposit with the state.
- Change —If payee has a current direct deposit with the state and is requesting a change to the record. (example: change of payee name, financial institution, account number and etc)

Section 2: Authorization for Setup or Changes: Enter the information of the Payee.

Note: The social security number is required to be collected pursuant to 26 USC 6109, and will only be used for the purpose of complying with filing requirements imposed by the Internal Revenue Code and to comply with Section 119.071(5)(a)7, F.S.

The name on the Direct Deposit Payment Authorization Form must match the Payee name on file with the State of Florida Vendor payment system for payments to be sent electronically. If you are currently receiving payments via State warrant, you should list the first line of Payee exactly as it appears on the State of Florida warrant. If you are a caregiver or Guardian Ad Litem, please enter your name as the business name.

Include a copy of the authorized signer's current government issued, photographic identification. (Example: driver's license, passport or another form of government issued, photographic identification)

Section 3: Financial Institution: Contact your financial institution to confirm your direct deposit account information. Have the completed form signed by a Representative of the Financial Institution. The individual authorizing the form must be an authorized signer on the bank account that the funds are being sent to. Enter name of your financial institution, type of account checking or saving, the business or individual name the bank account is listed under, the routing number and account number. Verification will be conducted by the Department, via a telephone call to the Authorized Signer, to confirm the business name, account and transit-routing information of the financial institution.

Section 4: International ACH Transactions (IAT): Check this box if your funds are deposited in a U.S. financial institution and the entire amount is subsequently forwarded to a financial institution in a foreign country. Banking industry rules require the State, as originator of electronic payments, to identify payments where the entire payment amount is subsequently transferred to a financial institution outside the United States. The rules are referred to as "International ACH Transaction (IAT) rules" and are pursuant to requirements of the Office of Foreign Assets Control (OFAC), which is part of the United States Treasury. If an electronic payment is identified as an IAT transaction, the electronic payment must be sent to your financial institution in a special format. Contact your Financial Institution to see if IAT rules apply to you.

The State of Florida does not send payments electronically to financial institutions outside the United States.

Terms and Conditions

Processing time is approximately 6 to 8 weeks following receipt of the completed form. Please complete all information requested on this form. Providing account information does not authorize the State of Florida to access account activity on your account.

We will initiate a pre-notification to your financial institution prior to making payment based on this authorization. The pre-notification is a zero dollar entry transmitted to your financial institution for the purpose of verifying the accuracy of the account and transit-routing numbers provided and entered into our system.

An authorized representative of the payee must make any changes to the information provided on this form in writing. Changes to account information will cause the original authorization to be immediately inactivated and the new account information will be processed as described above. The authorization will remain in effect until terminated in writing with sufficient notice to the State to allow adequate time to effect termination. The State will not be responsible for any loss that may arise solely by reason of error, mistake or fraud regarding information provided on this Direct Deposit Payment Authorization Form.

The State cannot send payments to different accounts at this time. All payments from the State of Florida will be sent to the single account you designate.

MEMORANDUM OF UNDERSTANDING BETWEEN CITY OF PENSACOLA

AND

PENSACOLA-ESCAMBIA DEVELOPMENT COMMISSION

The City of Pensacola ("City") through its Parks and Recreation Department wishes to encourage the development of youth and to facilitate participation of Pensacola youth in sports activities. The City enters into this Memorandum of Understanding ("MOU") with the Pensacola-Escambia Development Commission (PEDC) in order to further provide opportunities for youth, establish the responsibilities of both parties, and establish clear terms as to the use of property known as "Downtown Technology Park" as described and defined in the Interlocal Agreement for Downtown Technology Park.

Responsibilities of PEDC

PEDC agrees:

- To allow the City use of the Downtown Technology Park property for organized youth sports practices at no cost to the City.
- II. To permit the City to determine, arrange, manage, and approve the dates, times, and participants of any and all organized youth sports activities that will utilize the Downtown Technology Park property as practice fields.
- III. To ensure that no other person(s) or organizations are provided permission to use the property in a manner that will conflict with the permitted use of the property being provided to City Parks and Recreation youth sports practice fields.
- IV. To immediately notify the City of any complaints received by PEDC or discovery by PEDC, or other 3rd party who makes it known to PEDC, as to the use of the property as practice fields or any known hazards or dangers on the property.

Responsibilities of the City

The City agrees:

 To utilize the property for practices only and not games, and to conclude all practices by sunset. Formatted: Font: (Default) Arial
